To The Students In The Senior High School:

During your high school days you will be standing on the brink of life's great adventure. Take not too serious thought of the results of your schooling. If you do all that you can do during the years you spend in school and continue to do your best when school days are over, the results immediate or eventually are not your affair at all. Such seed as you plant cannot otherwise than grow. If you do not see the fruits of your endeavors, you should be comforted by the thought that here or somewhere they will spring up.

It would be great if you could succeed now; it will be greater if you patiently wait for success, even though you never see it yourselves. It will come. Do not be hurt by abuse. Those who abuse you do not know what they are doing. All of us were at one time deluded and cruel, therefore forgive.

Do not be worried by bigotry. You cannot help it—you are not responsible for it. You are responsible to yourselves and for yourselves, and for no one else. Do not be angry at opposition either; no one can really oppose the order of Nature or the decrees of God, which are one and the same. Your plans may be upset. Always remember there are greater plans than yours. They may not be completed in the time you may wish, but your works and the works of those who follow you, will be carried out.

Do not grieve over your own troubles. You would not have them if you did not need them. Do not grieve over troubles of others, for there are no others.

Therefore let us all keep God in our hearts, and quiet in our minds, for though in the flesh we may never stand upon our edifice, we are building that which will never be pulled down. Never part with your illusions. When they are gone you may still exist, but you will have ceased to live.

ELMER L. CAVE,

Best Wishes and Long Life To The "Apache Trail"

I congratulate the Associated Students of our school on this, the first annual publication of a Year Book. High school days are filled with responsibilities, events, and activities, which bring much pleasure and happiness, and it is appropriate that their thrill and memory should linger in pictorial and story form. May this book with its historical recording of school life through story and poem, and its visual portrayal of school mates and many happy group occasions through photographs and snap shots, bring to you during the years, many moments of inspiration and happiness.

The staff, which has edited the book is deserving of especial credit, because it had many difficulties to overcome without any background of experience. It has done pioneer work in our school, and we are all indebted, because it has paved the way and established the procedures for the "Apache Trail" to become an annual treasured possession.

It is my wish that our school has given to every member of the Senior Class and will give to all undergraduates a good general education with some effective basic training in the field of their occupational choice; that it has provided the stimulation and opportunity for much personal development; that it has given you three years of happiness and, more important, that it has assisted you to undergird your lives with right habits, high ideals, and spiritual concepts which become the granite foundations of your personal existence. It is only upon the possession of these things by great numbers of individuals, that democratic society can erect a secure superstructure. Therefore, so live that you may become a part of the solution of the social question and not a part of its problem.

STUDENT WELFARE

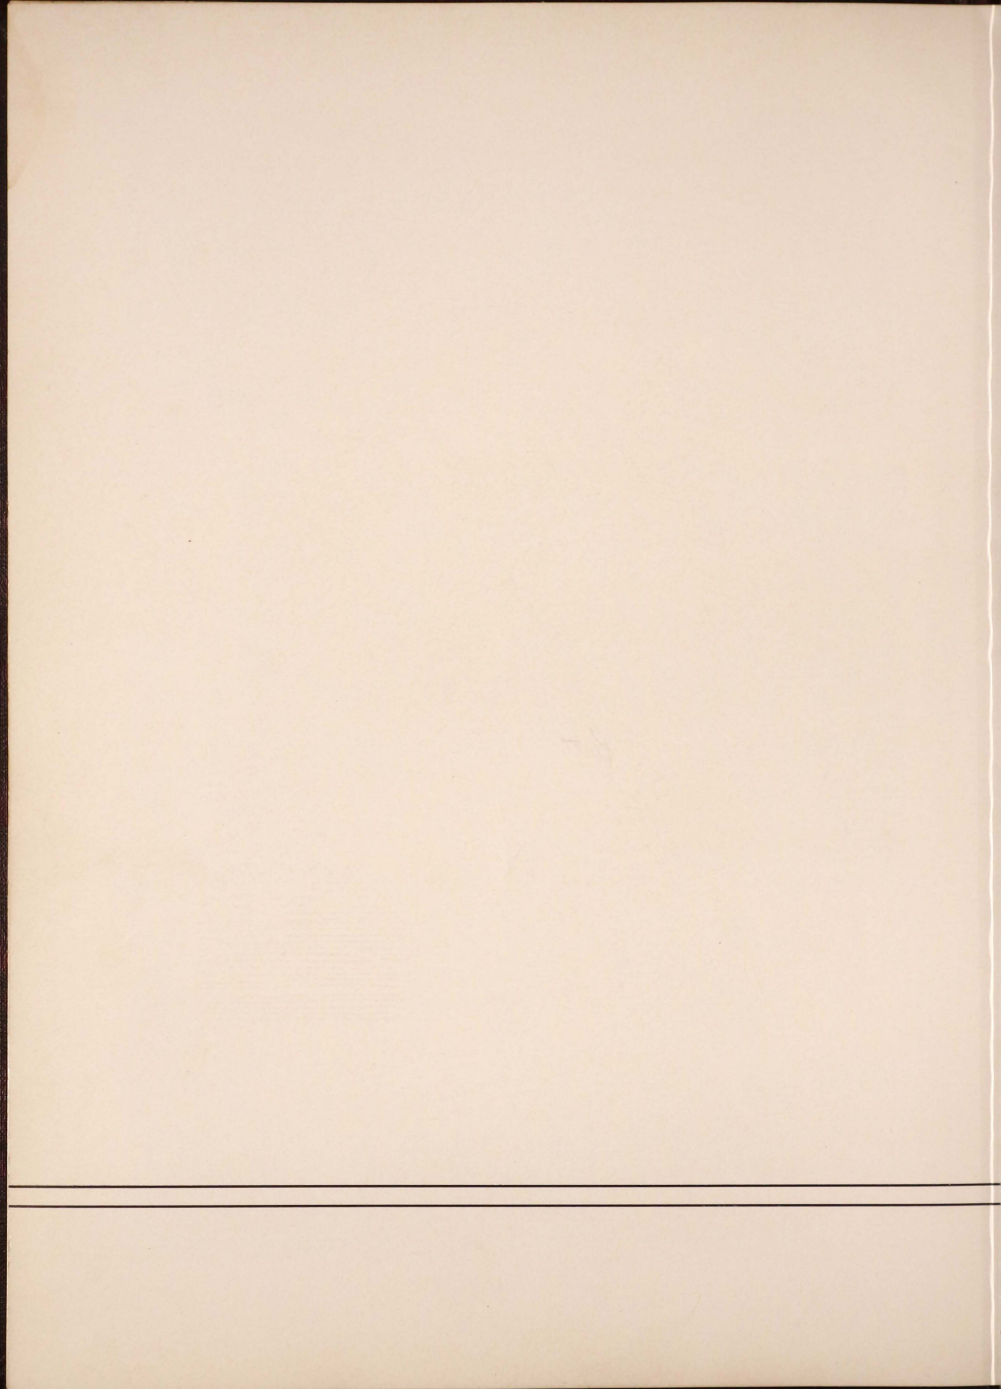

Working for the better interests of the school is the small but select group, the Student Welfare Committee. Organized under the title of Building and Grounds Committee, this group serves to maintain order in assembly programs and to protect the buildings from careless damaging by thoughtless students.

Membership into this group is obtained by appointment by the student body president for a term of one semester. Members can be detected by the red and white arm bands which they wear. In the club this year were: Back row—Bill Rottler, Lloyd Pugh, Ernie Nunn, Bill Tarbox, Stan Tilley, Gene Rodgers. Middle row—Colin Campbell, John Sloan, Dot McLean, Virginia Lee Grant, Jean Price, Bob Brock, Keith Rowland. Front row—Suzanne Lenzi, Dorothy Johnson, Betty Lorenzi, Dorothy Walker, Jean Casper, Hazel Johnson.

STUDENT COUNCIL

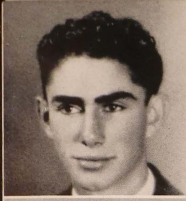

Making the rules by which students abide is the governing body of the school, the Student Council. Composed of one representative from each homeroom, club and activity, the Council meets each Thursday to discuss school business. The delegates for the past year have been: C. Ahman, F. Anderson, F. The Senior Week of the big-little class was officially opened at Baccalaureate Services which were held at the Baptist Church under the leadership of Douglas Campbell, student body president, who was assisted by Florence Gerdel.

On the following Monday the traditional picnic was replaced by a party which was planned by Marion Hilton with the aid of Virginia Olson, Irene Rosenberg, Dolly La Grave, Peter Hatch, and Bob Brown.

Mothers and friends of the graduating seniors were the guests of the senior girls at a tea given on Tuesday at the Casa de Vallejo. In charge of the tea was Jane Delph, and serving on her committee were Gladys Ewig and Jean Christian.

The senior program, under the direction of Robert B. Patterson, class adviser, with Wallace Josephs and Peter Hatch as co-chairmen, proved to be a great success.

The class Will and Prophecy, written by Jo Sampsell and Alma Herger, were read at the Class Night Banquet which was planned by Jane Hoffman assisted by Ilah Belle Weir and Nardele Hansen.

The graduating class danced to the strains of Hal Hays' orchestra at the Grand Ball which was a combination of the Class Night Dance and the Inaugural. Members of the class on the Grand Ball committee were: Caroline Hunt, chairman, Alma Herger, Virginia Olson, Doug Campbell and Charles Almany.

Senior Week activities closed January 27, when the members of the class received their diplomas from the Board of Education. Student speakers were: Jane Hoffman, Alvin Wiggins, Jo Sampsell, and Doug Campbell, who effectively presented phases of the situations facing Youth in the world today. Class President Benton Meyer ably conducted the ceremonies.

January, 1937, the first month of a new year, saw also the first appearance of the mid-year class of 1939 of Vallejo High School. From the first they threw themselves wholeheartedly into the process of securing an education and developing into maturity. Although small in number and slightly overshadowed by the large and influential June classes on either side of them, the class nevertheless had many fine representatives in all phases of school life.

As sophomores they respectfully and faithfully observed all the traditions under the kindly tutelage of the benignant Seniors. The "V" was kept in tip-top shape, the Senior Bench was spotless, and they never, never entered the front door. Their skit in the Napa Rally was considered one of the reasons for the Varsity's great victory. Through the spring semester they continued to develop in form, stature, and favor with faculty and students.

As Juniors they continued their remarkable record by making their Junior Week one of the most active in the history of the school. Always noted for their unflinching wit and humor they made their Junior Program a masterpiece of entertainment.

Throughout their entire school career, the class had excellent representation in the athletic side of extracurricular activities. During the three years this class of '39 participated in athletics Vallejo High School won

many championships in a variety of sports. The class also established a fine academic record, with a good class scholastic standing and numbering among its members several outstanding students.

The most remarkable achievements of these January Thirty-Niners, however, were in the field of politics. Never before in the history of Vallejo High School has any January class played an active part in the political affairs of the student-body. From the first they maintained an interest in such matters and through unity and cooperation made their small number count in securing able and intelligent delegates in many branches of the school-community.

As the class members entered their final year, reaching the peak of high school ambition, and donning the authority and dignity that mark Seniors, their inherent love of independence reached its culmination. Through one of the finest, most liberal and able school administrations in California, it happened that upon their capable shoulders there fell the signal honor of being the first January graduating class in Vallejo High history. They became a distinct unit, separating themselves from the June class with regret, but nonetheless resolved that they would lead the way and become pioneers in a unique manner.

They elected as officers students who had always been prominent in class affairs: Ben-

ton Meyer, president; Peter Hatch, vice-president; Jane Hoffman, secretary; Richard Day, treasurer; and Nardele Hansen, yell leader. These officers, with the guidance and assistance of Class Adviser Robert B. Patterson, and the never failing cooperation of the entire class, soon showed that they were worthy of their trust. New activities were planned and executed with invariable success.

As they had no precedent to follow, in many cases they had much initial work to do but came through splendidly. Instead of the usual Senior Picnic, obviously impossible in mid-winter, a delightful Class Party was substituted. To aid in financing activities in lieu of a Senior Play the class presented an entertaining and lucrative Variety Show. The usual Baccalaureate and Class Night Banquet were held, proving as worthwhile as ever before.

As the climax to Senior Week and finale to brilliant high school careers, the Commencement exercises were held January 27, 1939, in the Junior High School Auditorium. In the impressive and excellently handled ceremony, sixty-three grateful but somewhat saddened pupils received their diplomas—grateful for the education and training that had so beneficently been provided them but saddened by the thought that they were leaving behind a happy and joyous three years.

Senior week, the climax to the graduates' high school days, was arranged and handled by the class officers. Baccalaureate, a picnic, a tea, class night, and graduation—all part of the great week—were carefully planned by this group, with the aid of their committees.

The officers also aided materially in the success of the class play "Slightly Delirious".

The graduating class of June 1939 boasts an extremely active three years in high school. Having graduated from junior high, the first class to complete three years' study in the new school, we were both frightened and interested when we first passed through the side doors of our new Alma Mater. Keeping a careful eye peeled for upper-classmen, we proceeded warily on our new routine. The senior class welcomed us with the usual initiation, sending the boys to repair the well-known "V" and seeing that the girls did a good job of scrubbing the senior bench.

In a short time, our girls were honored at the Girls' League Big and Little Sister Party on the turf. The next important event was the Big Brother-Little Sister, Big Sister-Little Brother Dance. This dance inaugurated the policy of a get-together dance and since has become an annual affair.

Our elected heads during our first semester in high school were Lloyd Pugh, president; Virginia Lee Grant, vice-president; Hazel Johnson, secretary; Geraldine Castagnoli, treasurer; and Barbara Easton, yell-leader. Red and White were chosen as our class colors.

Football! Our first season at high school! Rallies, singing, yelling, scrub spirit, and all that goes with it were in full swing, with all of us using our voices, which were not yet roughened by three years of unrestrained rooting.

The red and white checkered scarfs and ties, which our class wore at the Napa rally seemed to catch the fancy of the big, bad seniors, who immediately went after, and got, them. The success of the varsity footballers at the end of the season was well worth our tired voices and aching lungs, for the Apaches came out on top, winning the 1936 North Bay League Championship. Members of our class who helped the varsity then were Lou Dcmenici, George Guhl, and Bill Rottler.

As our class boasted a great number of dance lovers, we planned and gave the first dance ever to be given by a sophomore class. This was held during the spring term, its theme being the coronation. The affair proved such a tremendous success, that sophomore dances are now annual affairs.

The class members were not satisfied to be the first sophomore class to hold a dance; so when picnic time came, despite the fact that scrubs do not have picnics, several of the scrub homerooms got together and staged a big little outing at Boyes' Springs.

A fine summer concluded, we again entered the portals of Vallejo High School, but this time there was a difference. What a grand and glorious feeling it was to know that no longer could we be called scrubs. Our days of dodging seniors were over.

Officers elected to serve us during our junior year included Bill Rottler, president; Carmel Bellini, vice-president; Jane Hoffman, secretary; Phyllis Hamakar, treasurer; Hazel Johnson, yell-leader.

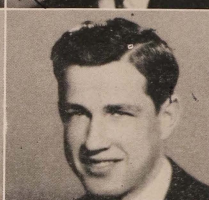

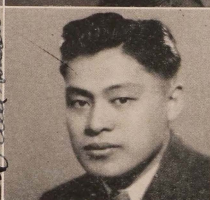

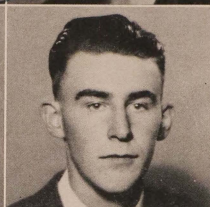

At the Napa Rally, we wore jockey caps of red and white, but not for long, as most of them were snatched by upperclassmen.

Although the varsity just missed winning the football championship again, the Apache Babes came through and brought several lucky boys of our class gold footballs.

Vallejo High's first carnival was perhaps the biggest event of our junior year. Our class concession was a dart-throwing booth, which drew a large and enthusiastic crowd. As king of the first carnival, Lee Antrim, prominent member of our class, ruled the entire student body and all their friends.

Our Junior week was a week that we can never forget. Noon hops throughout the week, camera day, costume day, the usual talent show, and the Junior Jig were planned and carried out. Responsible for the success of the week was Byron Ruelas, who proved to be an able chairman. Blue and white polka dots decorated the Jig, which was unquestionably a grand affair.

The Junior year of the June class of '39 was most exciting and eventful as the juniors were well represented in all school activities.

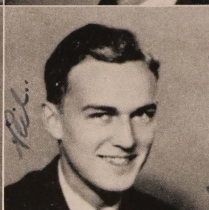

Homecoming Week marked the climax of the football season and disclosed many promising athletes among the junior class. To make the Napa Rally a success the juniors presented a most amusing skit. Officers for the Junior A term were: Bill Rottler, president; Carmel Bellini, vice-president; Jane Hoffman, secretary; Phyllis Hamakar, treasurer, and Hazel Johnson, yell-leader.

Junior Week, headed by Helen Hiller, was one of the main events during the spring term. Assisting Helen with her plans for the week were: Byron Ruelas, president; Virginia Lee Grant, vice-president; Phyllis Hamakar, treasurer, and Marianne Ford, yell-leader. Junior Week was officially opened with a noon hop in the gymnasium on Monday, April 18. Tuesday was Costume Day when many unique and strange costumes were in evidence. Another noon hop was held on Wednesday in the gym and prizes were awarded the best dancers. The Junior Show, portraying a night club scene, and Camera Day were combined into one day, Thursday.

Friday, the Junior Jig under the direction of Marianne Ford, climaxed the week. The Jig was held in the high school gym which was cleverly decorated in a blue and white polka dot theme.

Junior Week was over—but a week later the juniors were in the limelight once again. On May 27 the Junior Prom was presented at the Veterans' Memorial Hall under the chairmanship of Virginia Lee Grant. A complimentary bid was given to each senior.

Our SENIOR year! Almighty higher-ups at last! Of course we had to do a little initiating before we began studying after a perfect summer vacation, but we had to hand it to the scrubs for being such good sports while we had our fun.

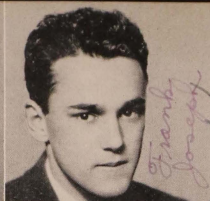

Leading our activities for our Senior A term were Bill Tarbox, president; Phyllis Hamakar, vice-president; Irene Johnson, secretary; Charlotte Sessler, treasurer; and Billie Finnegan, yell-leader.

First event on the calendar of our greatest year was the Inaugural Ball, decorated with autumn leaves and corn stalks.

Football time once more, the last time for us as students of Vallejo High. The Napa Rally was held in the afternoon on Corbus Field for the first time. As seniors, our class led the way with peppy yells, original songs, and the tops in skits. The Napa game was quite a let-down, with their team defeating ours by one touchdown, for the first time in twenty-two years.

About this time, we received our class sweaters, maroon slip-overs with white chenille emblems. These stylish sweaters were all that were needed to complete our grand feeling of being "kings" and "queens".

With Irene Johnson acting as general chairman, a Transcontinental Hop was given by our class in honor of the January graduates, who were the first to have a mid-year graduation. This dance proved to have the most original theme of any dance ever before given in this school. The bids and programs, designed by Joyce Owen, chairman, were unique, while Ellen Jayne Harrington, in charge of decorations, supplied a most unusual setting for the affair. With the playing of the orchestra's theme, the dancers were taken on an imaginary airplane trip around the world with Jack Taylor and Bob O'Neill acting as guides.

To start off the spring term, we again initiated the scrubs. Another scrub dance was given at which we entertained our little sisters and brothers.

A second school carnival was given early in March and our concession was very likely the most novel and entertaining, with members of our class managing a duck throw, where many spent an hour or so trying to ring a live duck which caught the spirit of the occasion and ran from one end of the pen to another.

With missing jewels, a series of faints, a chest that opened quite frequently, and a hilarious cast, "Slightly Delirious", our class play, brought down the house and claimed top honors in the field of drama.

How those last few weeks did fly! Before we knew it, it was June, our June—the month which was to mean so much to us then and now! We began to look both back and ahead—back to the days spent so happily, the wonderful hours spent on the lawns at noon, forward to the days that would grow into months and years, taking us farther and farther apart.

Senior Week came with Baccalaureate on Sunday, a swell picnic on Monday, the girls' tea on Tuesday, and then, Class Night, the big night for us all. Although there were still another twenty-four hours before we would receive our diplomas, there was plenty of reason for making it an exciting event. Indeed it was exciting, but an entirely different kind of excitement came over us the next night as we sat wonderingly upon the stage among those who would soon be parted, perhaps never to see each other again.

The June class of 1939 has come and gone, but happy memories of its three-year life will ever remain.

CLASS OF JANUARY, 1940

The Senior A Class has taken an active part in all school activities for the past two and a half years, and it promises to be an outstanding second January graduating class.

Its officers have proved to be excellent leaders and no doubt capable ones will be selected for next semester if their last term in high school is to be as successful as the preceding ones.

Among its members are many athletes, who still have another half-year of sports to which to look forward.

For the first time, the Senior A's held a separate picnic instead of planning one with the Senior B's, and their term ended with the fun and enjoyment of this outing.

CLASS OF JUNE, 1940

Noon Hops, a Costume day, a Camera day, a Junior Program, and the annual Junior Jig were all part of the great Junior Week, which was planned and carried out by the class officers with the assistance of Mr. Colon O. Kilby, class adviser.

Shirley Robnett served as chairman of the Junior Prom honoring the graduating seniors. "Hawaii" being the theme of the dance, wrist-leis were appropriately given to the girls, as souvenirs.

The events of the year were climaxed by the annual class picnic at Boyes' Springs.

Under the advisership of Miss Ruth Michael, sophomores have enjoyed a highly successful and active year.

Unaccustomed to the routine of high school life, they required some time to acquaint themselves with the new school life, but soon they were progressing in full swing.

Their contributions to school activities have included a rally skit and a carnival concession.

POST GRADUATES

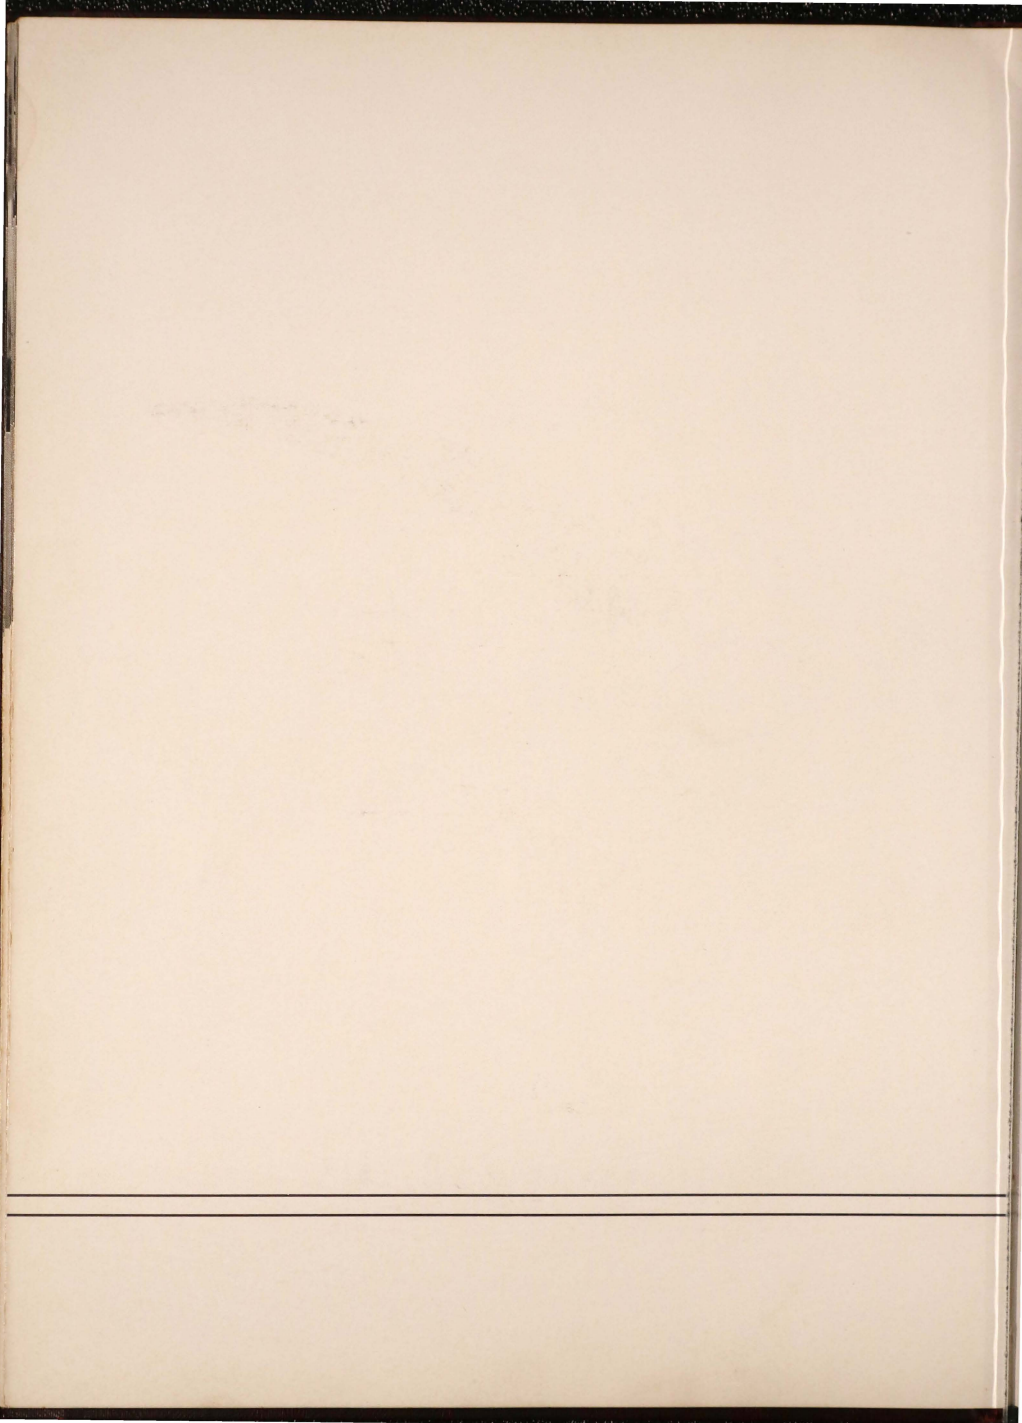

The fall semester of 1938 saw the first fully organized Post Graduate class in the history of the Vallejo Senior High School. A constitution was drawn up and it was decided that there would be a president, vice-president, secretary-treasurer, and yell-leader.

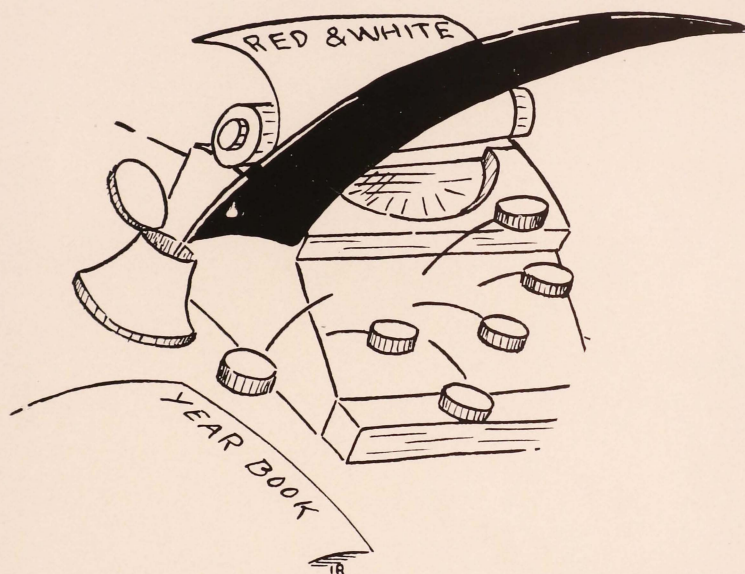

The class then started taking active part in all activities and soon became a well-known and well-liked group. This was due to the expert leadership and guidance of Mrs. G. Larsen, Mrs. M. Feliz, and Mr. C. E. Turner.

Then came the spring semester and a new array of faces mingled with the

few fall pupils who had returned to finish their advanced courses. Their first activity was a concession in the annual carnival. This, after a lot of hard work and cooperation on the part of the class members, placed high on the asset list of the affair. The boys then stepped into the limelight by capturing the 1939 interclass basketball title. There were dozens of minor activities in which the members of the class also took part. One of the highlights of the semester was a trip to the Golden Gate Exposition at which time everyone enjoyed himself to the utmost.

DRAMATICS

SENIOR PLAY MANAGERS

Working without the glory of a curtain call were the prompters, managers, and business staff of the senior play, "Slightly Delirious". All the arrangements for financing, publicizing, and producing the play were made by these students with the aid of Miss Dorothy Ruth Devlin, adviser. Michael Heley was in charge of reservations. In the picture are:

Back row—Lewis Adkins, Bob O'Neil, Lee Platt, Lloyd Pugh, George Erdman, William Rottler, Mort Turner, Jack Taylor.

Front row—Florence Dierlam, Viola Foster, Alyce Kirchgessner, Dorothy Hines, Kate Wells, Connie Congrave, Jean Casper, Hazel Johnson.

Miss Hope Branstator:

Seniors of the Class of June, 1939, wish to thank you for your interest and splendid direction of our senior play "Slightly Delirious".

Most of the success was due to the many hours you spent in patient rehearsal and to your excellent foresight in planning details which were an important part of the brilliance of the evening's entertainment.

"SLIGHTLY DELIRIOUS"

Playing before a multitude of patrons who filled the High School Auditorium to capacity on the evening of March 30, talented members of the class of '39 rendered an outstanding performance in their Senior Play "Slightly Delirious".

The play, under the able coaching of Miss Hope V. Branstator, was a three act farce-comedy. The entire action of the play took place in the living room of Mr. Lister's beach home where, quite unceremoniously, a group of seaside vacationers brought the unconscious Algernon Angell whom they had rescued from certain death in the surf.

When Algernon, known as Algy in the play, regained consciousness, it was dis-

covered that he had received a blow on the head and was suffering from amnesia, thus to learn his identity became the general concern. A search through pockets of clothing found on the beach revealed the real owner's name, which was James Hathaway Canelope, a wealthy manufacturer; consequently, Algy was taken to be this person.

The theft of some valuable jewels, the disappearance of "Lulu", a pet frog, and the appearance of Lulu Clayton, a young lady in search of her missing sweetheart, were just a few of the many things that complicated matters and added to this vivacious farce.

LINCOLN PLAY

Under the direction of Miss Hope Branstator, the dramatics class presented an elaborate program on February 21, in honor of the combined birthdays of our two former presidents, George Washington and Abraham Lincoln. Miss Vincent's public speaking students presented a tabloid of Washington's life, while a play, "Abraham Lincoln", was presented by the dramatics class. Principal characters in the play were: Sterling Patterson, Norman Talbot, Weir Hord, Betty McGovern, Mary Jean Kilby, and Lloyd Buell.

YOKOHAMA MAID

Combining the musical and the dramatical talent of the students of this school, a Japanese operetta "Yokohama Maid", was presented by the choral classes on April 29, as this school's chief contribution to Public Schools' Week. With the plot centering about a beautiful young maiden who, according to her father's will, must marry a mayor, the play rolled along at a fast clip. Miss Helene Barnewitz directed the operetta with the assistance of Miss Elope V. Branstator. Those carrying the more important roles were: Barbara Easton, Barbara Jamison, Shirley Robnett, Kate Wells, Betty Dougherty, Lee Platt, Stanley Tilley, Weir Hord, Lester Anderson, Byron Reulas, and Harold Kowalsky.

DRAMATICS CLUB

Responsible for the successful presentations of several skits and plays, are the Playcrafters, a group of amateur dramatists instructed by Miss Hope V. Branstator. For the past five years, the club has performed at rallies and special programs, always offering the best in the field of entertainment.

Back row—Melvin Brenner, Thomas Pierce, Robert Johnson, Sterling Patterson, Weir Hord, Orriz Contreras.

Middle row—Dorothy Walker, Gerry Hendricks, Frances Anderson, Miss Lope Branstator, Mildred Opsahl, Marie Allison, Lois Jane Williams.

Front row—Ellen Jayne Harrington, June Kasper, Josephine Robles, Lorna Sheveland.

STAGE CREW

Much recognition and credit is due the stage crew, a group of boys who have kept the stage in order. The boys are chosen each year to manage the stage and to assist with properties when any stage activity is presented.

One period each day is devoted to the stage, and each member receives five credits for the work. Mr. Robert L. Nicholson is adviser of the group.

Back row—Mr. Nichol森, Jimmy Weeks, Ernest Clark, Glenn Smith.

Front row—George Hadley, Weir Hord, Fred Leonard.

MUSIC

VALLEJO HIGH SCHOOL BAND

By their splendid marching and excellent formations, the Vallejo High School Band has brought much credit to this school, having performed at the Davis Picnic, the East-West game, and many other widely-publicized events. This year, the band has undertaken the task of raising the funds for entirely new uniforms, under the supervision of Director George F. Neill.

Included in the list of programs sponsored by the band were a carnival exhibit, a band dance and the

"Follies of 1939", a show complete with songs, dances, and music. The Follies were under the direction of Miss Olive De Leon.

Leading the band in their drive for new uniforms, the band officers have played a very important part in the band's activities.

Officers for the band are: Bill Stevens, George F. Neill, director, Ralph Young, Ethel Strickland, Bill Murphy, Amiel Anderson, Paul Lawrence, and Richard Conway.

ORCHESTRA

Under the direction of George F. Neill, the Vallejo High School Orchestra has played at numerous social and civic functions including the commencement exercises, Mother's Day program and tea, the senior play and the operetta.

Any student who plays an instrument is eligible for membership in the orchestra, which meets every fifth period in the music rooms as an organized class.

SONGLEADERS

Adding color and life to the football games and rallies were the songleaders, dressed in the bright, shining colors of the school, leading the stands in pep songs and the alma mater. Babs Anderson, one of the quintet of songleaders, transferred from Vallejo High before the picture was taken. Others in group were: Betty Reedy, Midge Hiller, Pat Kim-mick, Verlie Kaldenbach.

GIRLS' GLEE CLUB

The Girls' Glee Club, under the supervision of Miss Helene Barnewitz, was organized for the purpose of encouraging interest in music. Any girl interested in music may join the club as it is a regular course in the school curriculum.

To aid in putting on special programs, the glee club joined other choral groups throughout the year. The main event of the year was the operetta, "Yokohama Maid", presented to the public on April 29 at the High School and repeated at the Junior High School one week later.

Back row—Alma Washburn, Percilla Carter, Francis Schaechele, Virginia Hall, Marjorie Fettes, Dorothy Peterson, Lorraine McCarthy.

Middle row—Kate Wells, Maxine McNutt, Shirley Marvin, Sue Smith, Mary Jane Armstrong, Arlene Scheler.

Front row—Anne Cassinos, Cecil Fisher, Miss Helene Barnewitz, Olive Lewis, Shirley Robnett, Rolla Rogers.

BOYS' GLEE CLUB

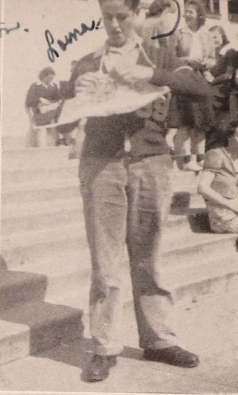

To meet the interest shown by boys in music, a Boys' Glee Club was formed several years ago by Miss Edythe McKnight, former music instructor. During the past year the organization has presented selections at various programs, chief among these being the operetta, "Yokohama Maid".

Any boys is eligible for membership in the Club, which is a regular class of the school. Miss Helene Barnewitz is the instructor.

Back row—William Lundblad, Richard Schmidt, Lester Anderson, Frank Stevens, Edward Byrne, Leon Weaver, George Souza, Edward Heffner.

Middle row—Donald Byham, Alfred Shively, Neil Hathaway, John Littleton, Donald Kelly, Robert Strickland.

Front row—Elmore Martin, Richard Biami, Robert Brown, Benton Meyer, Miss Helene Barnewitz, Lee Platt, Everett Campbell, Raymond Richards, Stanley Tilley, Harold Chatfield.

CLASS B FOOTBALL

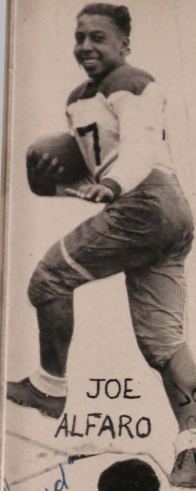

Led by Richie Day and Captain Dave Beronio, Coach Bob Patterson's Apache Babes completed a very successful season, failing to win the league championship by only one game.

During the year's campaign the Babes hung up some notable victories, chief among which were the Lodi and Napa encounters. After a hard tussle, the Lodi-men were defeated, 6-0, for their only setback of the season. While aided materially by the sparkling play of Beronio and Day, the Mighty Mites easily rolled over

Napa, 13-0, to close the season.

The Pattersonmen dropped only two games all season, a 10-6 affair with the Alumni and a league fracas with Petaluma which ended 13-0. Scores of other games for the season:

San Rafael 18-6, Tamalpais 0-0, Analy 1-0, San Rafael 6-0, Commerce 26-0.

CLASS A BASKETBALL

After a slow start which cost them several games, Coach Glenn Odale's Apache Varsity Basketeers found new life and wound up their season in second place in the North Bay League. It was Coach Odale's first year in the driver's seat and he did a remarkable job after suffering the loss of his best players at mid-season.

Upon the graduation in January of Charles Almany and Douglas Campbell it was feared that the Apaches would go to pieces, but Coach Odale filled the vacant spots so that the rest of the schedule was played in fine style.

The season record: Martinez 29-39, Armijo 9-18, Polytechnic 16-36, St. Helena 23-21, St. Vincents 30-18, San Rafael 51-30, Palo Alto 28-37, Crockett 23-29, Saint James 33-24, Napa 29-17, Albany 24-21, Tamalpais 28-26, Stockton Alumni 38-24,

Analy 26-24, Santa Rosa 22-25, San Rafael 34-31, Healdsburg 35-12, Petaluma 26-19, St. Vincents 34-24, Napa 19-15, and U. C. 145's 37-21.

Back row—Mazzoni, Gholikely, Dighero, Martin, Larsen, Clark, Campbell, Hatch, Coach Odale.

Middle row—Vierra, Cadloni, Strickland, Meyer, Day, Astin, Price, Heffner.

Front row—Burkett, Souza, Passalacqua, McKibbin, Almany.

CLASS B BASKETBALL

Set back on their haunches but once during the entire season, Bob Patterson's Class B basketball team roared through league competition to win the North Bay League title for the second consecutive year.

It was Coach Patterson's first season as head man of the B crew and he deftly fitted together a team that, except for one bad night, was head and shoulders above all others.

Scores of the season's games:

Alhambra 23-19; Armijo 31-24; Polytechnic 24-19; St. Helena 25-14; St. Vincent's 25-15; San Rafael 35-20; Palo Alto 28-20; Crockett 22-28; St. James 35-9; Napa 22-21; Albany 40-22; Tamalpais 29-24; Alumni 22-18; Anala 32-29; Santa Rosa 16-15; San Rafael 26-19; Healdsburg 37-19; Petaluma 26-19; St. Vincent's 37-16; Napa 25-14; St. Helena 29-19.

Back row—Coach Patterson, Bennett, MacKin-non, Harris, Flanigan, Enos, Taylor.

Middle row—Mazzoni, Ward, Gates, Nunn, Alfaro, Kelly, Rodriguez, Hatch.

Front row—Govi, Gamba, Tucker, Teixeira, Tar box.

CLASS C BASKETBALL

The first year with Coach Floyd Salisbury and they win the title for their section of the North Bay League. That was the record set by the Apache C basketball brigade in last year's race for the crown.

Coach Salisbury molded a fine team together and easily won the top honors in this section—but, in the play-off for the crown the entire league, they lost to Santa Rosa's quintet, 27-16. The season record: Petaluma 27-21; Tamalpais 26-18; San Rafael 26-15; Vacaville 14-23; Napa 31-12; Santa Rosa 16-27.

Back row—Coach Salisbury, Hylton, Williams, Ryder, Pappas, Browne, Taylor.

Front row—Frankos, Broast, Bennett, Ott.

BASEBALL TEAM

Climaxing their season by dropping a close game to the Napanee Indians, Coach Floyd Salisbury's Apache hardballers wound up a non-too successful season on the Napa diamond in a 2-0 affair.

The Salisburyemen found themselves, after dropping their first few games, and enjoyed a winning streak of five games, only to hit a slump from which they never recovered.

San Rafael was the only league opponent to feel the wrath of the Apache nine, as the Bulldogs went down to defeat in an extra-inning affair, to the tune of 16-15.

The Apache appleknocking aggregation defeated their traditional rivals, Napa High School, twice in early practice games only to drop the final league tilt.

Representing Vallejo High this year were:

Back row—Harry Rowe, Dave Beronio,

Elmo Cadloni, Elmore Martin, Jack Holmdale, Terrel Nielson, Larry Bardacos, Coach Salisbury.

Second row—Bud Tatman, Rich Biami, Bill Tarbox, Frank Burkett, Wally Neill, Casper Sweikert, Dan Heenan, Amos Van Zandt, Bob O'Neill.

Front row—Jack McKibban, Jim Astin, Marv Wright, Vern Rodgers, Merle McKim, Les Thompson, Pat Quigley, Dave Badaracco, Lou Domenici.

TRACK AND FIELD SQUAD

Winning the Sub-League meet hands down, scoring a clean cut victory in the league meet, placing fourth in the North Coast meet, and qualifying two men for the State meet, Vallejo High School's track and field squad enjoyed a very successful season.

Though they failed to make an impressive showing in early season dual meets, the Kilby coached cindermen rounded into form in time for the big meets.

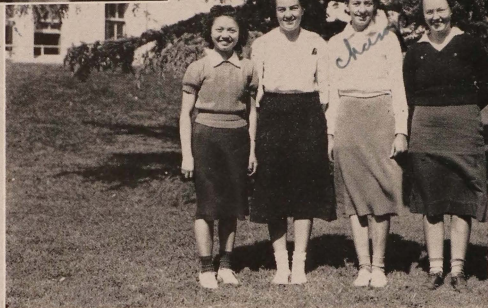

Bill Sweikert was undoubtedly the star per-

former on the squad, for he won both the shot and discus practically every meet, setting new records in both events.

Dick Rasmussen, Bill Rottler, and Oce Brown also rendered some outstanding performances to build up the total of Apache points.

Although the B's and C's won no championships, they did show some good performers. Joe Alfaro, and Bob Buck placed in several B meets while Jim Tobin kept the C's high up in each meet.

G. A. A. OFFICERS

The G. A. A. honor teams are selected by the executive board, team captains are chosen by Miss Larson and Miss McLaughlin from a list of all girls participating in interclass sports. These honor teams consist of the best players in each sport from the three classes, sophomores, juniors and seniors.

All the interclass sports of last fall and this spring were won by the class of '39. This class has had the greatest turn-outs for each sport. Their first victory was in hockey, this followed

by winning soccer, basketball, volleyball, speedball and baseball.

The basketball and volleyball honor teams have played against Benicia and Napa High Schools.

Several of the girls have made every honor team of the interclass sports.

Insert above is Miss Larson, below Miss McLaughlin while in the picture are Betty Choy, Dorothy McWherter, Doris Beltz, Yvonne Huddle.

GIRLS' ATHLETIC ASSOCIATION

The Girls' Athletic Association is an organization for girls who are interested in athletics in addition to their gym class. It was organized in 1930, and membership has been steadily increasing until there are now about 100 members.

In order to be a member of this organization a girl must come out after school to three out of five practices for an interclass sport and play in the game.

Emblems signifying each sport are awarded to every girl on the winning team of the interclass tournaments. Block "V" is awarded for the first one hundred points, a star for the second one hundred points, and a gold "V" pin for the third one hundred points. The honor teams are awarded also.

The activities of the G. A. A. are many—some of the main events this year were an ice skating party, roller skating and swimming parties, hikes and picnics. The biggest events are the annual Vallejo-Napa Girls' Play Day in May and the annual Vallejo-Napa banquet in June to conclude all the events of the year. At this banquet, awards are awarded to the girls who have earned them and at the same time, new officers are elected for the next term. The Napa girls who are members of the G. A. A. are the guests at this banquet. Next year the banquet will be held at Napa at which time Vallejo girls will be guests. Miss Bertha Larson and Miss Mary Ruth McLaughlin are advisers.

A large delegation attended the conference at Berkeley, gaining much fine inspiration from the three days spent there. Christmas baskets, a concession at the Carnival, various dinners and "feeds" rounded out a full program which included several excellent speakers.

The Foreign and Domestic Relations Club was founded for the purpose of establishing more intimate friendship with our many foreign peoples. The club was begun in the first week of February by a small group of students vitally interested in our present day affairs. The affairs of the organization consist of debates, roundtable discussions, trips to various educational points of interest, and reports on current problems.

Prospective members are voted into the club by a two-thirds majority, and meetings are held each Thursday under the supervision of Mr. O. S. Olson.

THE ARCHERY CLUB

The Archery Club, though young in age, is old in tradition, for the skill of shooting the bow has been practiced for countless centuries. The purpose of the club is to foster the skill of archery and to breed the all-important tradition of good sportsmanship. The club was founded in the Spring of 1939, with Miss Mary Ruth McLaughlin as adviser. Darrell Hamblin was elected president; Bud Tatman, vice-president; Joy Forman, secretary-treasurer. The club has target practice each Thursday on Corbus Field, and any member who cares to may use the archery range at Blue Rock Springs. The requirements for membership are few, but fixed. One must possess a willingness to cooperate, an interest in the advancement of archery, and a desire to be a good sportsman.

The club membership is limited to 20 members, with seniors and juniors given preference. Joe Mortara, golf professional, instructs the club each Tuesday afternoon at the Vallejo Golf Club.

CHEMISTRY CLUB

One of the first clubs to organize when the Activities Period began in the fall of 1938 was the Chemistry Club, with a membership of 25 students. The club requires its members to wish to further their knowledge beyond the chemistry fundamentals which are taught in class.

President, LeRoy Taylor, Vice-President, James Astin, Secretary, Margaret Adler, Treasurer, Cynthia Berg, Council Delegate, Dick Sproule, and Adviser, Floyd S. Salisbury, planned many enjoyable and profitable meetings for the members.

Regular field trips are staged, while guest speakers appear at many meetings.
